

Wags & Wheels

October 28, 2017

Baywater Animal Rescue is the leading no-kill animal shelter on the Eastern Shore. Baywater has been in the same location on Bucktown Road in Cambridge since 1947. Baywater took in more than 300 animals in 2017 with a 98% save rate. But we need help. You can Make A Difference.

Maureen Scott-Taylor

Sponsors have an opportunity to help homeless animals in Dorchester County. Baywater does not get government funding and is completely dependent upon donations and events like this to support the work that we do. We spend 2% of revenue on administrative expenses and more than \$50,000 in the last fiscal year on medical care of our animals.

Wags & Wheels will be an exciting event at Koski Enterprises in Hurlock, Maryland. The autocross event will be run by the Chesapeake Region of the Porsche Club of America. Food and music will be available to round out the full day of fun and excitement.

Please consider sponsoring at the highest level possible to make this a great success for the animals. Baywater is a 501(c)(3) organization and sponsorships are tax-deductible.
